

# MAINE GENEALOGICAL SOCIETY PUBLICATIONS

The Maine Genealogical Society began a program of transcribing town vital records and other books of value for Maine genealogical research in 1985. *Books are hardcover unless noted, on acid-free paper.* MGS offers a **membership benefit** of a large discount. **In 2015 beginning with Publication #71**, we began self-publishing with less overhead as the exclusive source for the books, with lower prices. **In 2018** after reviewing costs and inventory, we cut and standardized both member and non-member prices on many books.
